Dedication

1976. Eighty-two Saltsburg Seniors have their very own "spirit of '76"—their own cause for fireworks. For the rest of America, too, '76 is a celebration year.

The Staff of The La Saltianna would like to reflect a moment on the celebration. America, you've got spirit! You show it in all you've given us: our friends, our good times in school; the special town of Saltsburg; the flag to which we pledge every day; and the wall outside the art room that we painted!

Therefore, the 1976 Staff dedicates this creation to all that America has and is—most especially, American spirit.

Because America and this yearbook have something in common; each of them required a lot of thought, hard work, patience, perseverance, and cooperation to be what each is today. And we're proud to be a part of both.

A Beginning . . .

. . . School Life

Our first step into Saltsburg and a new life began

. . .

We decorated for dances and hoped our creations would stay intact for at least one hour . . .

Some of us made the office our second home

. . .

"Band . . . seeing friends . . . having a good time" . . .

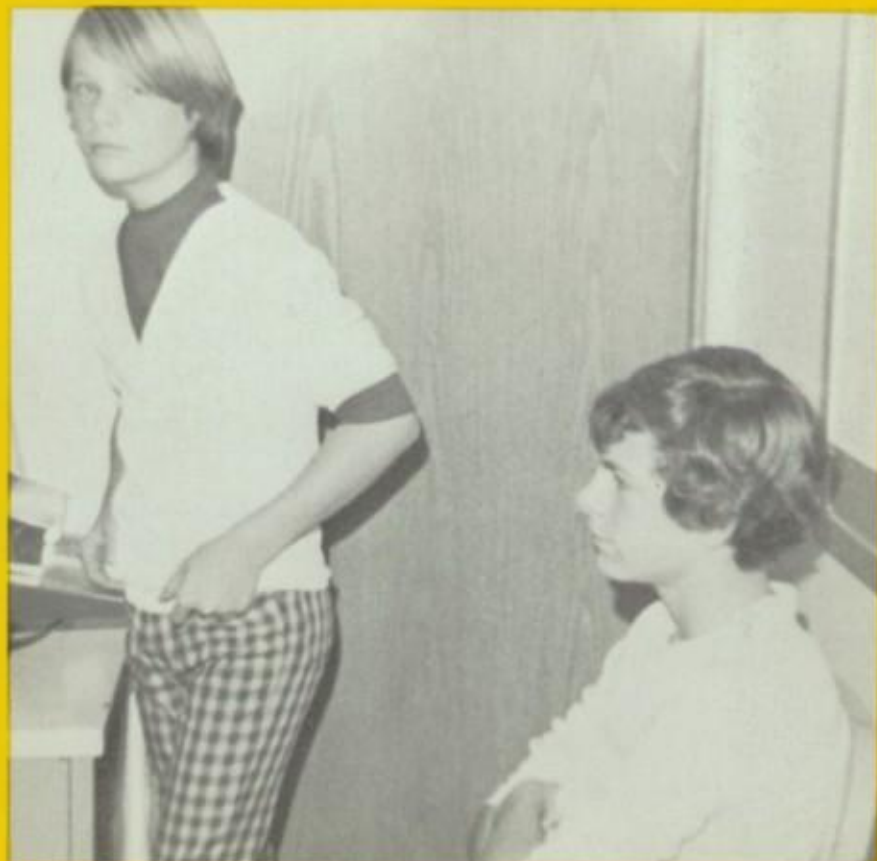

(Lori Gould)*

We donned our bikinis and braved sub-zero weather so we could take part in those extra special gym classes . . .

School Life . . .

We lived in a capsule affected only by time and us

. . .

. . . Spirit

Enthusiastic loyalty, school spirit . . .

Our pep rallies . . .

We extended our Christmas spirit to Children's Hospital . . .

We remained loyal to our guys and gals through every victory and loss . . .

We formed a Trojan spirit of pride . . .

Spirit . . .
"of '76" . . .

(Becky Jones)

. . . Fads

A temporary pursuit or fashion that excites attention . . .

Falling off our platform shoes . . .

Spending teary days adjusting to our contact lens . . .

We changed our manner of speaking so we could sound "cool" like the Fonze . . .

"The bump and bib jeans" . . .

(Chris Julian)

Fads . . .

The clothes we wore, the way we spoke, making us feel we belonged . . .

. . . Embarrassment

To cause to feel self-conscious . . .

"Having to walk out of, after having walked into the boys restroom" . . .

(Melanie Kulik)

We did the impossible by falling up the stairs . . .

We kicked and screamed at locker 287 because it wouldn't open and then remembered that our locker was 285 . . .

Embarrassment . . .

Feeling for one moment, that seemed like an eternity, that we just "ain't got class" . . .

. . . Pressure

Urgency, as of affairs of business . . .

We strove for perfection on our five minute typing tests . . .

Watching a football game and knowing there's only a matter of minutes in which we can win it . . .

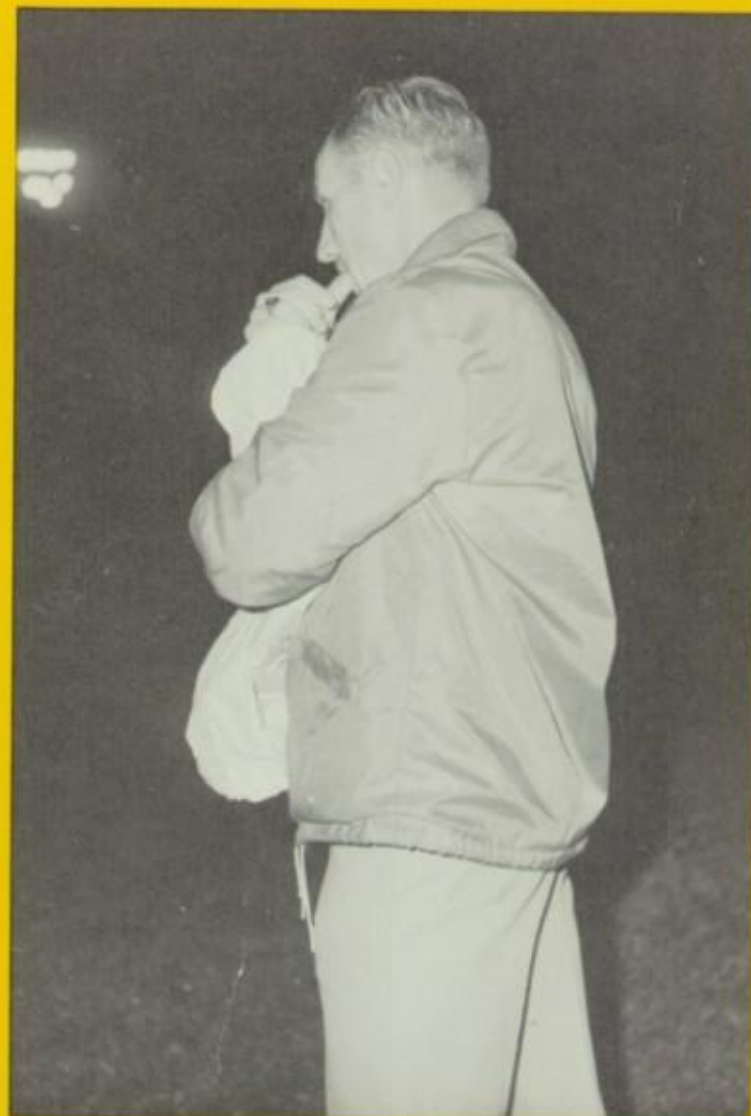

"Knowing the answers but being unable to express them" . . .

(Deb Bedick)

Gnawed pencils and scribbled notes . . .

Pressure . . .

Attempts to survive through seven hours of knowledge a day . . .

. . . Authority

Having the power or right to give commands or take action . . .

"Having someone down your back when you need it" . . .

(Cindy Sterzoy)

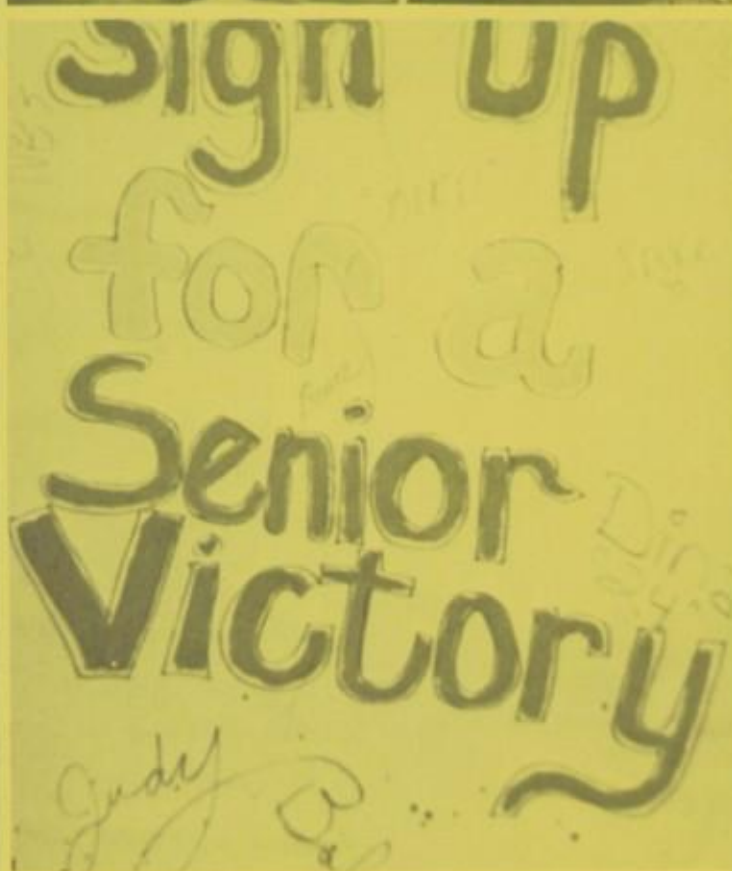

Realizing that no matter how much we know, there's always someone who knows a little bit more . . .

We gave authority a try as class officers, as coaches and captains of athletic teams, as club presidents, and we found out that it wasn't as easy as it looked . . .

Authority . . .

Another way of saying "I care" . . .

Kings, Rooks, Bishops, - "Checkmate"; familiar language heard around us every time we get together. With Mr. Gordish and Mr. Gasperini as our "grandmasters", encouraging some of the younger Spasky's and Fischer's, we've really learned a lot about "concentration of the game." Probably the hardest we've had to think all year! By the time we really get "deep" into the game, and ready to outsmart the other fella', the bell rings! That's our cue to pack away the Pawns and Knights, fold up the board, say "good-bye" to the opponent (between gritted teeth) and hope to continue the game next time.

OFFICERS—Mr. Gordish, R. Koontz, President; R. Bortz, Secretary-Treasurer; Mr. Gasperini, (missing) B. Voshall, Vice President.

Farmers, sod-busters, technicians! We're the students of agriculture at SHS. Among other things, we earned money at our Thanksgiving dance, "Plymouth Rock." We became experts at animal care, metal-working and electrical wiring. And all in all, we had a real good time!!

Our Saltsburg chapter of the F.H.A. is composed of many famous "Betty Crockers" and "Lucille Rivers." Try as we might, we had a fun time this year, dragging our boyfriends to our "Sadie Hawkins" dance and having a jolly time in December, buying up the Lee Ward's Craft Store. Some of us had to really "rack our brains" studying for the Junior, Chapter, and State degrees, but we finally succeeded. Our real proof of being future homemakers will be when, someday, we will never get the names of Mrs. Allison and Miss Nehrig mixed up again.

We females at Saltsburg High have a great opportunity to participate in intramural athletics. To do so, we simply joined the GAA! Beginning with our freshman year, we can take part in various athletic activities, such as lunchtime volleyball and basketball. We earn points through these activities and receive awards on Awards Day in May. But the highlight of our GAA career is the annual Powderpuff Football Game held in the fall. Chuck Noll would be really proud of our "24 dives" and our "end around lefts." Congratulations to the seniors on their fine victory over the juniors!

Homecoming 1975 . . . it was a night to remember by all. Sue Dobesh, a senior, was crowned during the halftime festivities. Amid the red and white footballs, crepe paper, and flowers, everyone danced to the sounds of Jim Rhea "spinning the discs" from 10:30-12:30 at the high school. We, the Yearbook Staff, congratulate Sue and the remainder of the court. A special thank you to anyone who helped make this Homecoming a success and so special. It was a night that will hold many memories for so many people.

The girls on the court share their happiness with Mrs. Georgia Brosko, from Saltsburg Floral, as she presents one dozen red roses to the queen, Sue Dobesh.

Teachers' Secretaries

We girls are very busy our senior year. We are each assigned to a teacher and perform many duties as a secretary. We type dittos, run papers off, do state registers, and run errands for our teacher. Most of us are in the Commercial Course and have been for two years. We enjoy doing teacher's work although some of us have had our share of "dumb mistakes" such as: typing a ditto and forgetting to take the tissue out, running a ditto master through the machine and putting a big wrinkle in it, coming out of class with purple ink all over your face, but most of all, having a great time!

If we happen to drop below a 3.2, then we are put on probation and have three six weeks to bring it up. The NHS promotes four cardinal qualities: character, scholarship, leadership, and service.

The Salt Shaker—Saltsburg High's monthly newspaper. We're the people who put it all together with our creativity and sweat! Our after-school work sessions were filled with typing, writing, cutting headlines, and pasting. Our creation? Four pages of poems, pictures, puzzles, and "what's happening" at SHS. Our satisfaction? Seeing our classmates totally absorbed in their issue of the Salt Shaker.

Varsity "S"

We are the girl athletes at SHS. We are either cheerleaders or basketball players and most of us have lettered our junior and senior year. We've put in a lot of hard work and long hours and have really earned our jackets. We receive our jackets at the end of our senior year and are really proud to wear them. We worked all year raising money to pay for our jackets by holding pizza sales and car washes.

The girls listen intently as Mrs. Cunningham explains the directions for their pizza sale. Judging by the look on her face, they better sell some pizzas!

Kathy and Marcy stop in at Tammy's to see how many pizzas she'll buy.

"You've got to be a football hero"—or maybe a basketball or wrestling or track hero! And we are. Our SHS Varsity Club is composed of all athletes who have earned a letter in one or more Saltsburg Varsity sports. We're easy to spot in the crowd, with our big red and white jackets. And we're the usual ticket sellers and takers at all Saltsburg games and matches. But most of all, we work and sweat to be THE athletes!

OFFICERS—J. Thomas, Vice President; D. Lytle, Secretary; D. Dice, Treasurer; J. Delfavero, President.

We, the Student Council, are a very important club at SHS. We could be classified as a "miniature government" because we serve our school to the best of our ability and do things that no other clubs are able to do. For example, one year we purchased new curtains for the auditorium; and, last year we donated money to the band so that they could buy new uniforms. This was all possible through our annual candy sale held each February.

1976 Freshman Sweater Hop

"Where Have They Gone"

The 1976 Sweater Hop Court

The week of January 26, 1976, proved to be one of the most exciting weeks at SHS all year. The freshman class began decorating the stage; and what looked like a mass of paper flowers, paint, and streamers at the beginning of the week, turned out to be a beautifully decorated stage loaded with color. With the snow-covered mountains and a colorful rainbow for the background, the freshmen were very proud of

their creation entitled, "Where Have They Gone." Then the day they had been waiting for all year had finally arrived—Thursday, January 29, the 1976 Sweater Hop. It was a very special night for the seniors as Darlene Dice was crowned queen and Rick Adams was crowned king. The freshmen class thanks anyone who helped in any way. A special thanks to Mr. Poliziani, the freshman class sponsor.

Meeting Deadlines, Soliciting Ads . . .

Bernard Magirl, our photographer and advisor.

Of all the organizations at SHS, the yearbook staff is the most dedicated. We put in hours of hard work so that we can make our deadlines on time. Many of us work together at our homes or at meetings after school. Writing and typing copy, cropping pictures, and doing triplicates are just a FEW of the many tasks involved in putting YOUR yearbook together. But . . . in the end, the yearbook will hold many happy and sad memories that you will treasure for years to come. We sincerely hope you enjoy this yearbook, for it is one that we enjoyed putting together for you.

The Advertising Staff also deserves a lot of credit for making this yearbook possible. They went out and solicited ads over a large area, which in turn made it possible to produce a fine yearbook.

YEA! The letters standing for our organization spell out how we feel about ourselves! We are a group of students interested in making our school and our education the best it can be. We started last September and haven't let up since. We ushered for SHS Open House; decorated the halls for Christmas; and raised over \$300 for Pittsburgh's Children's Hospital through a Saltsburg-Blairsville faculty basketball game and a "Mr. and Mrs. Ugly" contest, among other things. At one of our meetings, we saw a judo demonstration by three I.U.P. students. And in March, some of us went to the PYEA State Convention with Chris, who was elected President of the State Association for the '75-'76 year.

The second season, Concert Band, starts immediately after the marching is over. It includes our annual Christmas and Spring Concerts. This year, however, our band took part in our Country's 200th Birthday Celebration and performed a Bicentennial Concert jointly with Blairsville. Both marching and concert bands had a new look as well as a new sound with the recent purchase of uniforms that are used for both seasons of band. Also included in the Concert Season are Stage Band and Brass Choir which also perform for the public.

This year's basketball team has been a credit to both the school and to the team. Working long hours, our spirit was always high if we won or lost. As "gourmet girls," we enjoyed the team fellowship and represented our school as good sports as well as fine athletes.

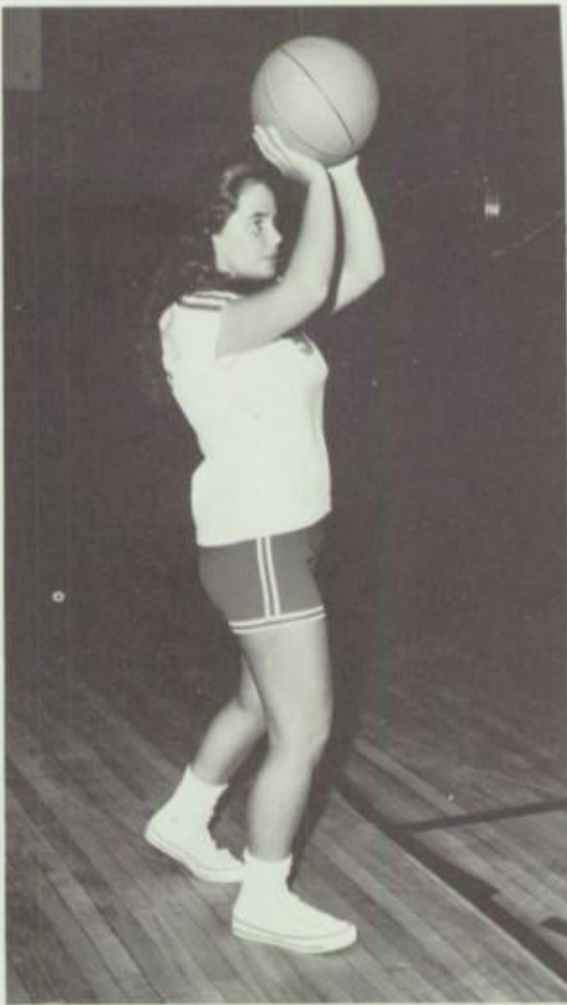

The year's record was 4-9 while the Junior Varsity won 9 and lost only 3. Captain Sue Brett, a four year veteran, and the other cooperative seniors will be missed when the next season rolls around.

Although the Little Trojans didn't win a game, the season wasn't a total loss. Mr. Sadecky and his rookie assistant Roy Crawford worked hard with their boys to teach them the fundamentals and to stimulate their interests in the game of football. The boys displayed hard work and desire and showed that they can be contenders in their future high school days.

To us, the business of

. . . As All Things End . . .

. . . As does this forty-ninth volume of La Saltianna. We, the yearbook staff, sincerely hope you've enjoyed our creation — the result of much time, effort, and thought.

. . . And as does this 1975-76 school year at Saltsburg Jr. Sr. High. We've had some special happenings at the school that have made the year end just as specially as it started. Like our new girls' volleyball team . . . and our new girls' softball team . . . for the guys, our traditional spring track season . . . and as always, our April Junior-Senior Prom, where no one can imagine all the juniors' time and work it took all year long to plan one beautiful evening.

The staff gives you the following "empty" pages in the hopes that you'll use them in making THIS yearbook as special as the year itself. There's room for you to jot down memories of your good (and bad) times, and as always, room for friends' signatures to make all complete!

Mrs. Roth,
You have no idea
how good it feels to
have a friend in you.
It's always nice to sit in
a class and feel at ease, as
I always was. I hope Carl and I didn't
account for too many gray hairs on
your head. I don't know about Carl, but
as for myself, your class being in the middle
of the day as it was, quenched the day like crazy.
I'll always thank you for that!
Thanks again for your kindness
It will always be remembered
Joe 57⁴pm.
